5 PURCHASE OF GOODS

All orders for the purchase of Goods are subject to acceptance by MyCardio. Upon acceptance by MyCardio, you agrees that any orders or purchase for Goods are subject to this Agreement and, for clarity, your acceptance or use of any Goods constitutes your irrevocable acceptance that the terms and conditions of this Agreement apply to such purchase of Goods. Prices for Goods are at MyCardio's then-current rates for the Goods at the time of purchase, unless otherwise agreed by MyCardio in writing. You agree to pay the fees for the SleepImage Offerings ordered by you, in addition to any taxes, duties, transportation or shipping charges, special packaging or other

services necessary for MyCardio or its representatives to provide the Goods. All prices quoted are in U.S. Dollars, unless expressly indicated otherwise.

You shall remit payment in U.S. Dollars (unless otherwise specified by MyCardio) and by wire transfer, check or otherwise as agreed between the parties. Late payment is subject to service charges and interest at a rate of the lesser of 1½% per month or the maximum amount allowed by law. Notwithstanding delivery and the passing of the risk of loss to you, title in all Goods supplied to you shall remain in MyCardio until MyCardio has received the entire purchase price and any other sums due in full for the applicable Goods. The provisions of this section shall not entitle you to refuse or delay payment or to require MyCardio to accept the return of the Goods on the grounds that the title in the Goods remains in MyCardio until receipt of payment. MyCardio shall have no obligation pursuant to deliver any Goods unless and until all necessary authorizations required pursuant to applicable laws have been obtained.

Upon your receipt of Goods, you agree to immediately inspect the Goods. Unless you provide MyCardio with written notice of any claim for damaged, defective or insufficient Goods within ten (10) days after receipt of shipment of such Goods, such Goods shall be deemed finally inspected, checked and accepted by you.

All shipments of Goods to addresses within the United States are offered and procured "FOB – Shipping Point." Shipment of Goods outside the United States are offered and procured "EXW – Ex Works". All shipments are F.O.B. the original shipping point. ANY AND ALL CLAIMS FOR LOSS OR DAMAGE TO GOODS IN TRANSIT MUST BE MADE TO THE DELIVERING CARRIER AND NOTED ON THE DELIVERY RECEIPT.

MyCardio warrants the MyCardio sleep recorder device for 90 days from the purchase date against any defects in material or workmanship. In the event any warranty claim is made within such 90 days, MyCardio or its authorized agents may, at its election, inspect the Device subject to the warranty claim or issue shipping instructions for return of such Product to MyCardio or its designee. If MyCardio determines that the warranty claim for such Device is valid, MyCardio shall, in its sole discretion, replace such Device and arrange for such Device to be returned to MyCardio at MyCardio's expense or refund the fees paid for such Device. Such replacement or refund is your sole and exclusive remedy, and MyCardio will bear no other expenses or liabilities for a breach of the foregoing warranty. Replacement of a Device under the terms of MyCardio's limited warranty does not extend the original limited warranty period (*i.e.* replaced Devices are covered by the limited warranty for the remainder of the original warranty period). You assume and shall bear the entire risk of loss, theft, destruction, or damage of or to any part of a Good to you from any cause whatsoever ("loss or damage"), and no loss or damage shall release you of your obligations under this Agreement. The foregoing notwithstanding, MyCardio makes no warranty and shall have no liability under this Agreement or otherwise for damages, errors or the like to any Product caused by accident, abuse or misuse; variations or problems with electrical power; natural disaster; servicing not authorized by MyCardio; handling, storage, operation, use or maintenance in a manner or environment not conforming to or not in accordance with the applicable specifications, product literature or other instructions or specifications provided by MyCardio (whether via the Website or elsewhere); problems caused by third party software; or problems resulting from hardware parts or components not supplied by MyCardio.
